THE END

To the class of 1987:

We would like to take this opportunity to congratulate the 1987 graduates of the Southeastern Technical Institute and to wish you good luck in the future. The student council and yearbook staff members have worked very hard to make this yearbook a success and they deserve our deepest gratitude for all their efforts. They sponsored the ski trip, Christmas party, the soda machine, cake, raffle, toothbrush, sweatshirt, and yearbook sales. So you see, it takes a lot of hard work to bring this yearbook together but the end results are memories which will last forever.

Thanks again. We appreciate your support.
